WELCOME TO GOODRICH TEDCO SCHOOL OF BAKERY ARTS

Experience the best Bakery education in Delhi/NCR

A Diploma in baking with Tedco can be an exciting and rewarding path for those who are passionate about creating delicious baked goods. Here are some benefits of pursuing a baking career with Goodrich Tedco:

- Hands-on Training:** Tedco's baking program is designed to provide students with hands-on experience in creating a wide variety of baked goods, from cakes and pastries to breads and pies. Students will work in state-of-the-art kitchens and learning from experienced bakers and pastry chefs headed by Master chef Sahil Mehta.
- Specialized Curriculum:** Goodrich Tedco's baking program covers all aspects of the baking process, from basic techniques to advanced methods and presentation skills. Students will learn about ingredients, recipes, and presentation, as well as the science behind baking.
- Real-World Experience:** Goodrich Tedco provides students with real-world experience through opportunities to work in the bakery kitchens of 5 star hotels and modern bake shops. This allows students to put their skills into practice and gain valuable exposure to the industry.
- Networking Opportunities:** Tedco has a strong network of alumni and industry connections that can provide students with opportunities to make connections and build relationships with professionals in the baking industry. This can be invaluable for those who are interested in pursuing a career in baking.
- Career Support:** Tedco provides students with career services and support to help them find jobs and pursue their career goals. This includes resume writing, interview preparation, and job search assistance and a business masterclass that gives advice on setting up their own bakery business.

Whether you're interested in opening your own bakery, working as a pastry chef, or pursuing another career in the baking industry, GoodrichTedco's baking program can provide you with the skills and knowledge you need to succeed

SUCCESS STORIES

What our students say about us

I have learnt dicipline and technical culinary knowledge at Tedco. The faculty at Tedco taught me to practice constantly and that has honed my skills. My placement was arranged by Tedco at Crowne Plaza, Doha The business park and I have received constant support and mentorship from my faculties at Tedco.

Mohd Navil KV

I learned discipline and technical culinary knowledge at Tedco. The faculty at Tedco taught me to practice constantly and that has honed my craft. My placement was arranged by Tedco in Dubai and I have received constant support and mentorship from my faculty at Tedco.

Sumesh S Nair

After switching my Navy career, I decided to join Tedco and that decision has opened several exciting avenues for me. I am now looking forward to exploring the international culinary scene with the help of the international industrial training program organised by Tedco. The faculty of Tedco have been a constant supporting unit through my time at Tedco and beyond.
