Daffodils by Artemis, a mother-child centre. opens in Jaipur

Jaipur, 9th Oct, 2022: In continuation of its commitment to bring world class healthcare services to the doorsteps of most Indian cities, Artemis Medicare Services Limited-led Artemis Hospitals today announced the launch of a new premiere luxury hospital 'Daffodils by Artemis' in Jaipur. Offering comprehensive mother and child care services, the centre has state of the art facilities and will be catering to the health needs of people in Jaipur as well as surrounding cities.

Can you get pregnant while breastfeeding? Is It possible?

By Zarafshan Shiraz, New Delhi

Aug 31, 2023 06:53 PM IST

There are many doubts, myths, challenges regarding breastfeeding while pregnant. Know all about it along with tips for successful breastfeeding during pregnancy

In an interview with HT Lifestyle, Dr Asha Kumari, Consultant-Obstetrics and Gynaecology at Daffodils By Artemis in Jaipur, explained, "The relationship between breastfeeding and fertility is complex, and several factors are to be considered. Breastfeeding can delay the return of menstruation due to the release of the hormone prolactin, which inhibits ovulation.

Artemis Hospitals Launched Its New Hospital In South Delhi

Once fully operational, the 24-bed centre will offer comprehensive mother and childcare services including state-of-the-art Operation Theatres & labour delivery rooms, neonatal ICUs, emergency room, diagnostics, and allied services

Daffodils by Artemis Hospitals launched its new hospital in South Delhi. OPD services at the centre are commencing from November 7, 2022.

Once fully operational, the 24-bed centre will offer comprehensive mother and childcare services including state-of-the-art Operation Theatres & labour delivery rooms, neonatal ICUs, emergency room, diagnostics, and allied services.

Having recently launched another Daffodils unit in Jaipur, this is the third such entity under the Daffodils by Artemis banner, the company in the statement said.
